

January 25, 2017

Dear P2 Students:

We are accepting applications for two **Borchardt Family Pharmaceutical Sciences Scholarships** in the School of Pharmacy for students who will be P3's in the 2017-2018 academic year. The application form is below.

These scholarships will provide support for up to two Pharm.D. students **who have demonstrated an interest in research in the basic pharmaceutical sciences by enrolling in a Pharmacy research elective during the 2017-2018 academic year** and have potential aspirations for pursuing graduate school and a preference for an academic career. Eligibility will include an excellent academic record and require selection of a mentor from Medicinal Chemistry, or Pharmacology & Toxicology, or Pharmaceutical Chemistry.

Applications for the Borchardt Family Pharmaceutical Sciences Scholarships are due in to the Deans Office (Brittany Fellers; [Feller@ku.edu](mailto:Feller@ku.edu)) no later than 5:00 pm on Friday, April 14, 2017.

Questions? Please see either Associate Dean Gene Hotchkiss or myself.

Sincerely,

Kenneth L. Audus, Ph.D.  
Professor and Dean

## **Borchardt Family Pharmaceutical Sciences Scholarships, 2016-2017**

The Borchardt Family Pharmaceutical Sciences Scholarships will provide support for up to two Pharm.D. students **who have demonstrated an interest in research in the basic pharmaceutical sciences by enrolling in a Pharmacy research elective** and have potential aspirations for pursuing graduate school and a preference for an academic career. Eligibility will include an excellent academic record and require selection of a mentor from Medicinal Chemistry, or Pharmacology & Toxicology, or Pharmaceutical Chemistry. The scholarships are \$500 each.

The Borchardt Family Pharmaceutical Sciences Scholarship Committee will meet and review all applications. The Committee is appointed by the Dean and is comprised of one faculty member from each of the three basic science departments. The Committee will review your academic records, your statement below, and will conduct a brief interview with you within 2 weeks following the application deadline.

### **Please provide the following information**

**Name:** \_\_\_\_\_

**Student ID#:** \_\_\_\_\_

**Preferred Department for P3 Research Elective:** \_\_\_\_\_

**Mentor Choice:** \_\_\_\_\_

**Provide a statement of your career aspirations, specifying why you might be interested in a research career, and a brief outline of your plans for how you will pursue a career in research following graduation. (Use only the space below and on the back of this form.)**
